*EXAMINER: Initialed if reference considered, whether or not citation is in conformance with MPPE 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant. * CITE NO. Those application(s) that are marked with an single asterisk (*) next to the Cite No are not supplied (under 37 CFR § 1.612(d)(1)(ii)) because that application was filed after June 30, 2003 or is available in the IFW. *Applicant's unique citation designation number (optional). See Kinds/Codes of USPTO Patent Documents at www.uspto.gov or MPPE § 501.04. *Enter Office that issued the application. *Enter the International Patent Classification (IPC) Classifications, the indication of the year of the WIPO of the origin of the inventor must precede the serial number of the patent document. *Kind of document by the appropriate symbols as indicated on the document under the WIPO Standard ST.16 is possible. *Applicant is to place a check mark here if English language Translation is attached.
